This Edge is VERY CLEAN for the miles. It drove and shifted perfectly. A/C is cold. The factory radio works like new. It even comes standard with Satellite Radio. It has Cloth seats and Carpet floorboards in very good condition.

It's 2WD with a 3.5L V-6 motor. I checked for leaks and smoke and their wasn't any. I also checked the oil for sludge and it was clean.

Condition Report performed by Rob Rodgers and other supporting documents are included in the 'Documents' Tab.
